

Washington, DC – Tomorrow, Friday April 23rd, Congressman Harry Teague will host events in Las Cruces.

Congressman Teague will visit the new City Hall building to deliver a United States flag that was flown over the United State's Capitol on President Obama's Inauguration day. He will also meet with Las Cruces City employees and tour the new building.

Following the visit to City Hall, Congressman Teague will host a Roundtable with Veterans to discuss legislation that has recently passed the House to support veteran caregivers by assisting family caregivers that accompany veterans when they have to travel to be seen by a doctor. The provision of his legislation was included in the Veterans Health Services Omnibus Act that passed the House yesterday. It will authorize the Department of Veterans' Affairs authority to make per diem and lodging payments to caregivers of veterans that are receiving medical treatment.

All interested media are invited to attend all events.
